Hi Amanda,

The times in the poll should automatically adjust for the time zone you are in. I see from your email signature you are out of MD. I set the times out of my office in DC so what you are seeing should be EST.

Thanks!

Hello Christina,

I am Amy Liebman's Administrative Assistant and am looking at the Doodle Poll for the Spanish Pesticide Label Pilot Program Conference Call and was wondering if the times that are listed are EST or CST? Thank you so much for your help.
